PARKING Please do not block fire hydrants. There will be additional parking in the lot 2 blocks up from the pool behind Melbourn Insurance and Next to Kevins Collision repair. You can also park in the town lot at the end of Glover Street. We also have permission to park at an angle in front of the fence of the blue house up at the stop sign. We are hoping to let our guests park in the parking lot. There will be signs posted in these additional parking areas. If you can park somewhere else please do so.

Please set up your "camp" down in the grassy area below the pool. We ask that no one set up chairs or awnings on the pool deck so that we have a clear path for swimmers, spectators and personnel. Our kiddie pool will be open to siblings under age 6. No swimteam kids allowed in the kiddie pool. Please help remind your swimmers.
